THE CONGRESS

The 2018 edition of the Mobile World Congress (**MWC**) in **Barcelona** was the **busiest on record** and brought together industry players from across the mobile ecosystem met to do business, collaborate and set out a positive vision for the future.

Over 108,000 delegates from over 200 countries had passed through the doors. The **world's largest mobile industry exhibition hosted more than 2'300 companies.**

THE 5TH SWISS PAVILION FROM MWC2018

Switzerland's landing at MWC has been more than successful. Thanks to co-operation between [Innosuisse](#), [AlpiCT](#) and Switzerland Global Enterprise, **13 Swiss companies** www.swissmwc.com presented their products and solutions in the SWISS Pavilion at the MWC. The SWISS Pavilion attracted a **huge number of professional visitors** active in the mobile technology industry from around the world,
